

## **Rising Together. Empowering Women. Achieving Success.**

### **Sponsor our 2020 Fall Campaign and Virtual Event**

On 4 December 2020, we are hosting a virtual celebration to share the impact of our sponsors and donors' generosity. We will also present our Women's Empowerment Award to Stephanie Wright, Co-Founder of Together We Bake. Keynote speaker Annie Griffiths, photographer at National Geographic, will share portraits of women's empowerment.

Your sponsorships allow us to support the incredible work of our partners. It will help provide life changing services to women and youth living in poverty.
